HEA #27 – Placement in Employment

May 2014 Graduates were asked to participate in a Graduate Tracking Survey. The Survey was conducted at commencement on May 3, 2014, via email, and via phone. All surveying took place in May 2014, the month of graduation.

69% of May 2014 Graduate Tracking Survey participants indicated that they were employed full-time at the time of the survey.

HEA #28 – Job Placement Rates

MACU does not advertise job placement rates as a means of recruiting students to enroll.

HEA #29 – Types of Graduate and Professional Education in which the School’s Graduates Enroll

May 2014 Graduates were asked to participate in a Graduate Tracking Survey. The Survey was conducted at commencement on May 3, 2014, via email, and via phone. All surveying took place in May 2014, the month of graduation.

76.8% of those participants who graduated from one of the institution’s 4-year degree programs indicated that they planned to pursue another degree. More information regarding the types of graduate and professional education in which these graduates enrolled will be available through future Graduate Tracking Surveys of these graduates, which will be conducted 1 year, 5 years, and ten years following graduation.
