October 26, 2011

Dear Parents,

The semester is quickly coming to a close and that means final exams are just around the corner. The fall semester final exams will be December 6-9, 2011. We want to provide a way for you to encourage your son or daughter during this stressful time. We will be making the annual Survival Packets for students to have during the week of final exams. These packets will include things like snacks, candy, pens; all the essential items needed to survive finals! You can order these packets for \$10 by filling out the form below. The form also includes a place for you to write a special message just for your son or daughter to be included with the packet. Be sure to include your name so they know who gave it to them. You can return the form along with a check (made payable to Mid-America Christian University). You may also go to www.macu.edu under visitors. The survival letter will be listed directly in the middle of the page in the red box stating "Survival Packet". You can complete the letter and email it to scotter@macu.edu. The business office will take a credit or debit card payment as long as it is Visa or Mastercard. **These forms must be returned by November 25, 2011.**

We enjoy having your son or daughter at Mid-America Christian University and want to commend them for their hard work and perseverance. If you should have any questions, please feel free to call us at (405) 692-3242.

Sincerely,

Jessica Rimmer
Dean of Student Life
JR/sm
