SAFETY REPORT

This safety report is designed to give students, faculty, and staff as well as prospective students, faculty, and staff a specific outline of the procedures and policies, which govern the safety of persons on Mid-America Christian University property or at MACU sponsored activities. These policies and procedures have been instated with the understanding that each person is responsible for his or her own safety, but in the hope that the following information will assist in maintaining a healthy and safe environment.

Access to Campus Facilities/Residence Halls

Each student is required to have a key to his or her dorm suite. It is in violation of University policies to possess a key to any other suite or to possess an unauthorized key to a Mid-America Office or the Main Building. Keys for student housing will be checked out through the Residence Directors; all other keys must be cleared through the Human Resources. The Main Building will be locked at 10:00 p.m. each night and will be opened at 7:00 a.m. each morning. The Music Wing, located at the far southeast corner of the Main Building, will remain open until 11:30 p.m. each night.

Campus Safety Personnel

The MACU Police Department has authority to enforce parking violations, to enforce curfew, to clear the Main Building, and to deter trespassing. Safety personnel are responsible for accident prevention, threatening weather alerts, responding to emergency situations, etc. Safety personnel are also responsible to report any concerns they are aware of, including vandalism, theft, and responses to fire alarms. Campus safety cooperates fully with the local and state authorities in matters of criminal activity and student safety.

Students are informed about campus safety procedures at the time of orientation and at the dorm meetings that are held at the beginning of each semester. During the course of these meetings, students are encouraged to be responsible for their own safety and the safety of others. Safety and/or security concerns that may arise during the semester may be communicated by posted notices on bulletin boards, through campus mail, or through chapel announcements.

Drug/Alcohol Use

MACU's policy concerning alcohol, drugs, and tobacco is explained in the General Policies of the Student Handbook. Mid-America Christian University offers education about drug and alcohol abuse in the form of brochures and booklets that are located in the University Library in the Main Building. Referrals to counseling services are also available upon a student's request.

Sexual Offense

Crimes of sexual offense may be reported as any other crime with the understanding that such matters are kept confidential. The University suggests quick reporting of such crimes both to the campus authorities and the local authorities. Referral to counselors is available for victims of sex crimes.

Mid-America Christian University's Sexual Harassment Policy is located in General Policies of the Student Handbook. Specific guidelines regarding the prevention and/or survival of sex crimes is available in Appendix C.

DRUG-FREE SCHOOL PROGRAM

The Drug-Free School and Communities Act Amendments of 1989 (Public Law 101-226) require that all educational institutions receiving federal program funds or assistance adopt and implement a program to prevent and discourage the unlawful possession, use, or distribution of illicit drugs or alcohol.

School Policy

It is the policy of Mid-America Christian University to hold strict behavioral standards which prohibit the possession or use of any alcoholic beverages (including wine coolers and 3.2 beer) and/or any controlled substance or illicit drug. This standard is applicable to both full and part-time students, on or off campus. Violations of this drug and alcohol standard will result in disciplinary action including, but not limited to probation, required counseling with qualified staff or off campus counselors, and/or dismissal from the institution.
