

Placement in Employment & Education of Graduates

Created in the office of

Student Success

by

Morgan Thompson, Dean of Student Success

Date Created: Fall 2017

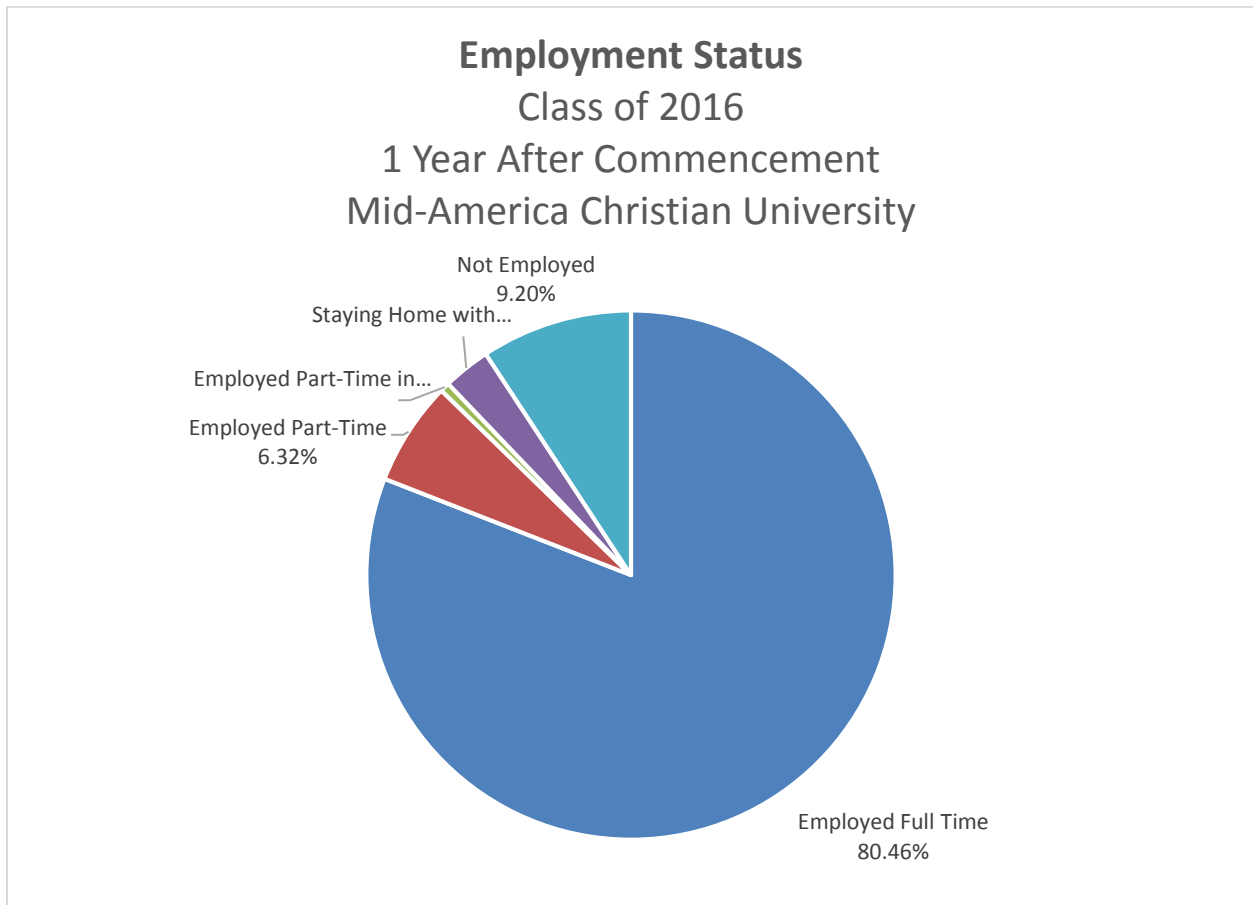

This report is designed to provide information regarding the employment of MACU graduates and their future educational goals and programs. It does not serve as a guarantee to students or graduates of placement in employment or future educational attainment.

HEA #27 – Placement in Employment

2016 Graduates participated in a Graduate Tracking Survey during the months of April and May 2017 to track their status approximately one year after commencement. The survey was conducted via phone and email.

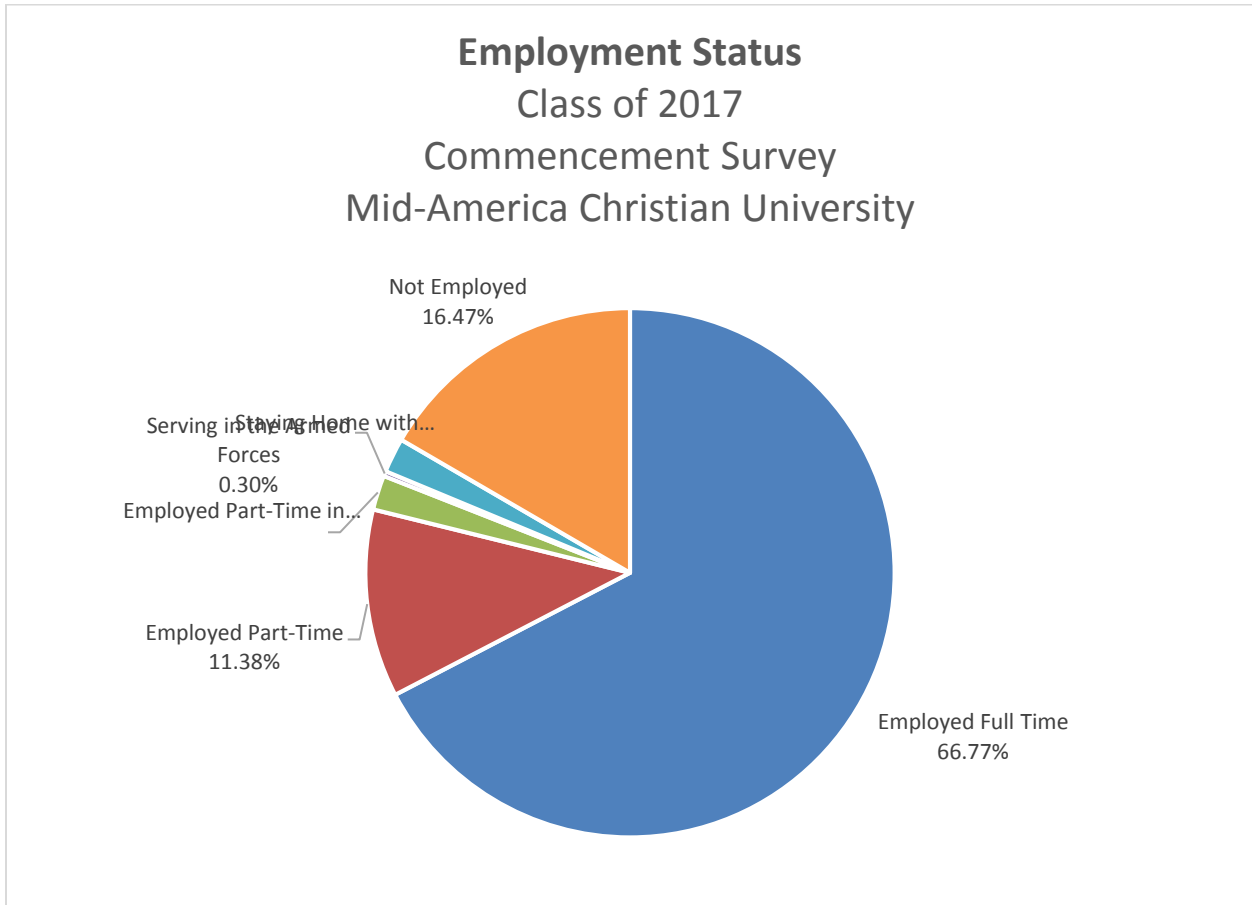

Over 80% of 2016 Graduates who participated in the survey indicated that they were employed full-time approximately one year after graduation.

Placement in Employment & Education of Graduates

The Class of 2017 participated in the Graduate Tracking Survey in May 2017. The survey was conducted at Commencement on May 13, 2017 and throughout the month of May via email and phone.

Approximately 67% of the respondents from the Class of 2017 indicated that they were employed full-time at the time of the survey.

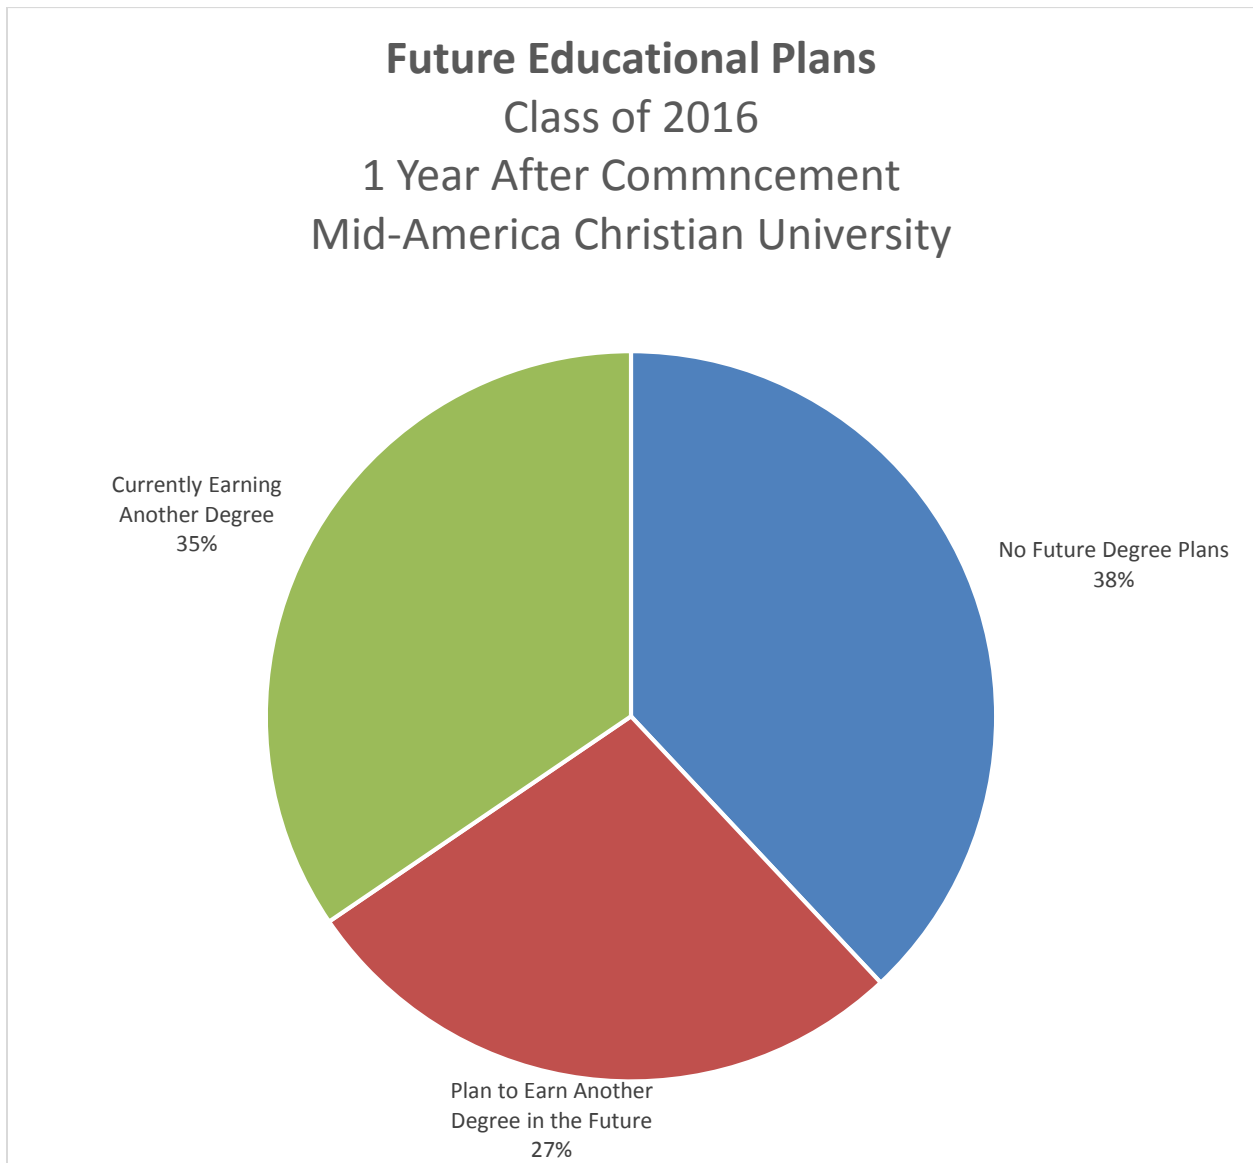

HEA #28 – Job Placement Rates

MACU does not advertise job placement rates as a means of recruiting students to enroll.

HEA #29 – Types of Graduate and Professional Education in which the School’s Graduates Enroll

2016 Graduates participated in a Graduate Tracking Survey during the months of April and May 2017 to track their status approximately one year after commencement. The survey was conducted via phone and email.

One year after graduation, approximately 35% of the Class of 2016 survey participants were in the process of earning another degree, including attending seminary or pursuing graduate degrees in areas such as psychology, counseling, business administration, Bible and theology, education, criminal justice, law, and leadership, and pursuing other advanced degrees. 27% indicated that they plan to earn another degree at some later point.

Placement in Employment & Education of Graduates

The Class of 2017 participated in the Graduate Tracking Survey in May 2017. The survey was conducted at Commencement on May 13, 2017 and throughout the month of May via email and phone.

Approximately 48% of participants indicated that they planned to obtain a Graduate or Professional Degree. 24% indicated that they had completed all of their educational goals.
