

**In Compliance with Oklahoma Statutes, Title 70 §3244
Certification of Compliance-Meningococcal**

Oklahoma Statute, Title 70 §3244, requires that all students who are first time enrollees in any public or private post secondary education institute in this state and who reside in on-campus student housing shall be vaccinated against meningococcal disease. Institutions of higher education must provide the student or the parent with information about meningococcal disease and on the availability and effectiveness of any vaccine.

The statute permits the student or, if the student is a minor, the student's parent or other legal representative, to sign a written waiver stating that the student has received and reviewed the information provided on the risks associated with the meningococcal disease and on the availability and effectiveness of any vaccine, and has chosen not to be or not to have the student vaccinated.
