

PROGRAM OVERVIEW

This certificate program will prepare students for employment in an entry-level accounting position or for greater accounting responsibilities at work, prepare them for a more advanced degree in accounting, and satisfy the prerequisite course requirements for students wishing to enter the Master of Business Administration, CPA Accounting Emphasis degree without an undergraduate Accounting degree.

CAREER OUTLOOK

Employment in business and financial operations occupations is projected to grow 7 percent from 2020 to 2030.

This median annual wage for accountants and auditors was \$73,560 in May 2020, which was higher than the median annual wage for all occupations of \$41,950. Top jobs include:

- *Accountant*
- *Auditor*
- *Budget Analyst*
- *Business and Financial Consultant*
- *Financial Analyst*
