

PROGRAM OVERVIEW

MACU's BS in Psychology provides students with an in-depth perspective of human behavior, development and psychological principles and an introduction to common psychological issues. Through dynamic lectures, coursework, research opportunities, case studies and self-exploration studies, students will gain the knowledge of major psychological ideas and practices.

When you pursue your Psychology degree from MACU, you'll immerse yourself in cutting-edge theories taught by real-world counselors, therapists and other field professionals. What you learn in the classroom will help you develop a diverse skill set that you can use in any field requiring an understanding of human behavior — or you can build on your knowledge by enrolling in one of MACU's award-winning MS in Counseling programs to ultimately pursue licensure.

This degree program can also be combined with the areas of Criminal Justice, Education, Science or Ministry as an interdisciplinary option.

PROGRAM OUTCOMES

A BS in Psychology is a broad-based degree. Not only can it lead to a job specifically in the psychology field, but you can use your knowledge of human behavior in virtually any career, making this one of the most versatile degrees out there. Some options for graduates of MACU's BS in Psychology degree program include:

- **Case Manager**
- **Childcare Worker**
- **Lawyer**
- **Marketing Researcher**
- **Police Officer**
- **Psychiatric Technician**
- **Public Relations Professional**
- **Researcher**

PROGRAM COSTS

Courses in MACU's Psychology program cost \$435/credit hour for lower division (University Core) classes and \$499/hour for upper division (Major) classes.

CAREER OUTLOOK

Overall employment of psychologists is projected to grow 8 percent from 2020 to 2030.

This median annual wage for psychologists was \$82,180 in May 2020, which was higher than the median annual wage for all occupations of \$41,950.

SPECIALIZATIONS AVAILABLE

Distinguish your BS in Psychology with an emphasis in Criminal Justice to unlock an even wider variety of career opportunities.
