Notice of Privacy Practices

This Notice describes how medical information about you may be used and disclosed and how you may gain access to this information.

The Scraper Center will protect the privacy of your health information and follow all state and federal laws. You have privacy protection under Medicaid and Oklahoma Laws. We are required by applicable federal and state law to maintain the privacy of your health information. We are also required to give you this Notice about our privacy practices, our legal duties and your rights concerning your health information. This letter tells you about your privacy rights and what may be done with your health information by law.

Right to inspect and copy: You have a right to see and gain a copy of the health information in your records. It will not include information needed for civil, criminal, administrative actions and proceedings or psychotherapy notes.

Right to request an amendment: If you feel the health information documented is wrong or incomplete, you may ask your therapist in writing to adjust this information. Your therapist has the right to deny your request if it is not in writing and it does not include a reason, or the information was not created by your therapist, or the information is determined to be correct and complete.

Right to an accounting of disclosures: You have the right to request an "accounting of disclosures," a list of names that your health information has been given to, other than disclosures for the purpose of treatment, payment, or operations.

Right to request restrictions: You have the right to ask your therapist to either not give or partially give your healthcare information used for treatment, payment, or health care operations. Your therapist is not required to comply. However, if agreed, your therapist will follow your request for restriction except when emergency care is necessary.

Right to request confidential communication: You have the right to ask your therapist to discuss with you, your healthcare matters in a certain way or at a certain place. For example, you may ask that your therapist only contact you at work or by email. Your therapist will work to meet all reasonable requests.

Right to a paper copy of this notice: You have a right to ask for a paper copy of this notice. To use these rights, a request for inspecting, copying, and amending, making restrictions, or obtaining an accounting of your health information must be made in writing to Angela L. Phillips, LPC-S at 3500 SW 119th St, Oklahoma City, OK, 73170.

How your health care information may be used and disclosed:

Appointment reminders: I may use or disclose your health information to provide you with appointment reminders (such as voicemail and text messaging).

For Operations: The Scraper Center can use and give information about you to make sure that services and benefits you get are correct and high quality. We may share health information with business partners. The Scraper Center partners are licensed professionals who are required by law to ensure privacy and security in handling health care information.

For payment: Information about you may be given to your health plan or health insurance carrier to pay for your services. Your case may be shared with government programs such as worker's compensation; Medicaid, your insurance, or Indian Health Services to better manage your benefits and payments.

For health oversight activities: Your health information may be shared with other agencies for oversight activities required by law. Examples might be audits, inspections, investigations, and licensure.

Legal obligation: Your health information may be given to a law enforcement official, subject to applicable federal and state law regulations, purposes that are required by law or in response to a court order or subpoena. If you are involved in a lawsuit or dispute your information may be given in response to a court or administrative order.

To avert a serious threat to health or safety: If necessary, your information may be released to prevent serious threat to your health and safety of others.

Duty to the Military: If you are a Veteran or member of the armed forces, your health information may be given as required by military command or Veteran administration authority.

As required by law: Your health information may be shared when required to do so by federal, state or local law. State and Federal laws requires The Scraper Center to maintain the privacy of your health information and to provide clients this notice of legal duties and privacy practices. If you believe your rights have been violated you may file a complaint by writing to Oklahoma Health Care Authority, 4545 Lincoln Boulevard, Suite 124, OKC, OK 73120.

Electronic Information and Telehealth Communications

Electronic Information: The Scraper Center may use an electronic patient notification system. This system is used to notify you of your appointment date/times, appointment reminders, practice alerts, (e.g., rescheduled appointments, unscheduled office closures due to severe weather, illness, etc.). The electronic notifications are sent via text message, email, and voice messages.

Telehealth Communications: The Scraper Center offers telehealth services which involves the use of technology to deliver services to an individual who is located at a different site other than the mental health provider. The Scraper Center uses HIPAA Compliant, secure video conferencing platforms to protect the privacy of clients. However, when sessions are conducted using audio only, secure platforms are not available

There are potential risks associated with the use of electronic information and communications. These risks include, but may not be limited to:

- Information transmitted may not be sufficient (e.g., poor resolution of video).
- Delay of session could occur due to deficiencies or failures of the equipment.
- Security protocols could fail, causing a breach of privacy of personal information.

By signing below, I understand that I am responsible for information security on my computer and in my own physical location. I understand that I am responsible for ensuring privacy at my own location. I understand secure platforms are not available when only using audio communication. Therefore, I understand that The Scraper Center is not responsible for breach of confidentiality during audio sessions.

I have read and understand the information provided above regarding telehealth services and electronic communication. I hereby give my informed consent for the use of telehealth services and electronic communication.

Consent For Treatment

Application is hereby made by the undersigned for voluntary admission to the services at The Scraper Center as a voluntary consumer under the provision of OS 43A. Section 9-101

Voluntary admission may be made for any person eighteen (18) years of age or over on his/her own signature. Any person at least sixteen (16) years of age may be admitted with the consent of such person and the consent of the person's parent or guardian, OS 43A. 5-304.

I have read, or had read to me, the following information about my rights.

All persons receiving services from this facility shall retain the rights, benefits, and privileges guaranteed by the laws and constitutions of the State of Oklahoma and the United States of America, except those specifically lost through due process of law. OS 43A, Section 1-103(h).

All persons shall have the rights guaranteed by OK Dept of Mental Health and Substance Abuse Consumer's Bill of Rights unless an exception is specially authorized to these standards or an order of a court of competent jurisdiction.

I have been given a summary or full copy of my rights as a consumer and fully understand the content of this document.

I understand that my treatment records may be subject to review by funding sources and accrediting bodies to verify and evaluate services delivered.

I understand that OS 43A, Section 4-201 requires that each consumer of the agency be charged for care and treatment provided. An individual will not be refused needed treatment because of inability to pay, OS 43A, Section 4-202.

By signing below, the consumer is giving **consent** for treatment at The Scraper Center.

Treatment with Intern Informed Consent Form

- I understand that my child, my family, or myself will be receiving therapy services from a student intern who is under the supervision of The Scrapper Counseling Center, and the Field Placement Office of their educational institution. All interns are supervised at The Scrapper Center by Angela L. Phillips M.HR, LPC-S and the acting supervisor for their educational institution.
- Student interns are bound by the ethical guidelines of their profession and adhere to the guidelines specified by The Scrapper Center services agreement, Telehealth Service Consent, Internship Supervision Agreement of their educational institution and Notice of Privacy Practices/ HIPAA.
- Student interns have completed most masters level education from their educational institution in their field of study, have demonstrated core competencies and have been determined by their educational institution as ready to apply his or her clinical skills to working with clients.
- Student interns receive intensive ongoing guidance, evaluation, and education in providing excellence in clinical skills to you and your family members. By working with a student intern, each client receives the benefit of a clinically experienced supervision team assisting in assessment and treatment planning to address concerns in therapy.
- Student interns may provide counseling sessions in conjunction with a fully licensed clinician, and when deemed ready by The Scrapper Center will provide counseling sessions Without a supervising clinician present.
- Sessions conducted by student interns may include recording of sessions, for use in supervision. Recordings may not be used for any other purposes than for use in supervision, are stored on a password protected device and are destroyed at the termination of therapy.
- Clients may terminate this agreement at any time, but termination of this agreement will require transfer to another provider as interns cannot be adequately supervised in cases that do not consent to recording.

I, the client or his/her legal, custodial parent, or legal guardian, acknowledge that I am voluntarily authorizing treatment for myself at The Scrapper Center. I have been informed of the purpose of the treatment, the services which may be provided, and any attendant risks, consequences, and/or benefits.
