PROGRAM OVERVIEW

The **Bachelor of Business Administration (BBA) in Accounting and Ethics** prepares students for various accounting careers by providing a broad foundation of accounting procedures and theory covering vital areas, including taxation, auditing, managerial/cost, financial and accounting law, ethical guidelines, and accounting information systems. The program provides the necessary coursework to meet the 30-hour accounting and 9-hour business requirements needed to sit for the Certified Public Accountant (CPA) or Certified Management Accountant (CMA) exams in Oklahoma.
