Low Income Worksheet

2025-2026

Our office recently received your 2025-2026 FAFSA. According to the report, your total income for 2023 seems unusually low for the number of people living in your household. Documentation that clarifies this information is required prior to awarding federal financial aid. Federal regulations authorize the institution to request information for all sources of income, both taxed and untaxed. Please review the untaxed income items below and write in the total amount that you received from each in 2023 in the space provided. Fax the completed and signed form back to MACU at 405-692-3204.
