

Placement in Employment & Education of Graduates

Created in the office of

Institutional Research and Effectiveness

by

Westley Dorton, Data Analyst

Morgan Thompson, Dean of Institutional Research and Effectiveness

Summer 2025

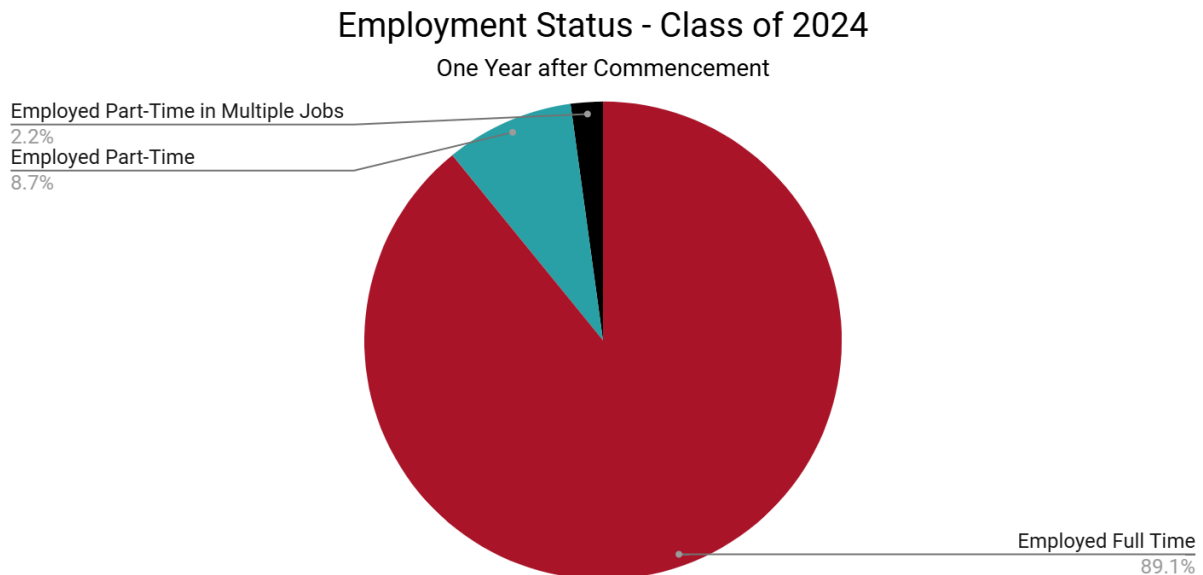

This report is designed to provide information regarding the employment of MACU graduates and their future educational goals and programs. It does not serve as a guarantee to students or graduates of placement in employment or future educational attainment.

HEA #27 – Placement in Employment

2024 Graduates participated in a Graduate Tracking Survey during the months of May 2025 and June 2025 to track their status approximately one year after commencement. Students were contacted via email.

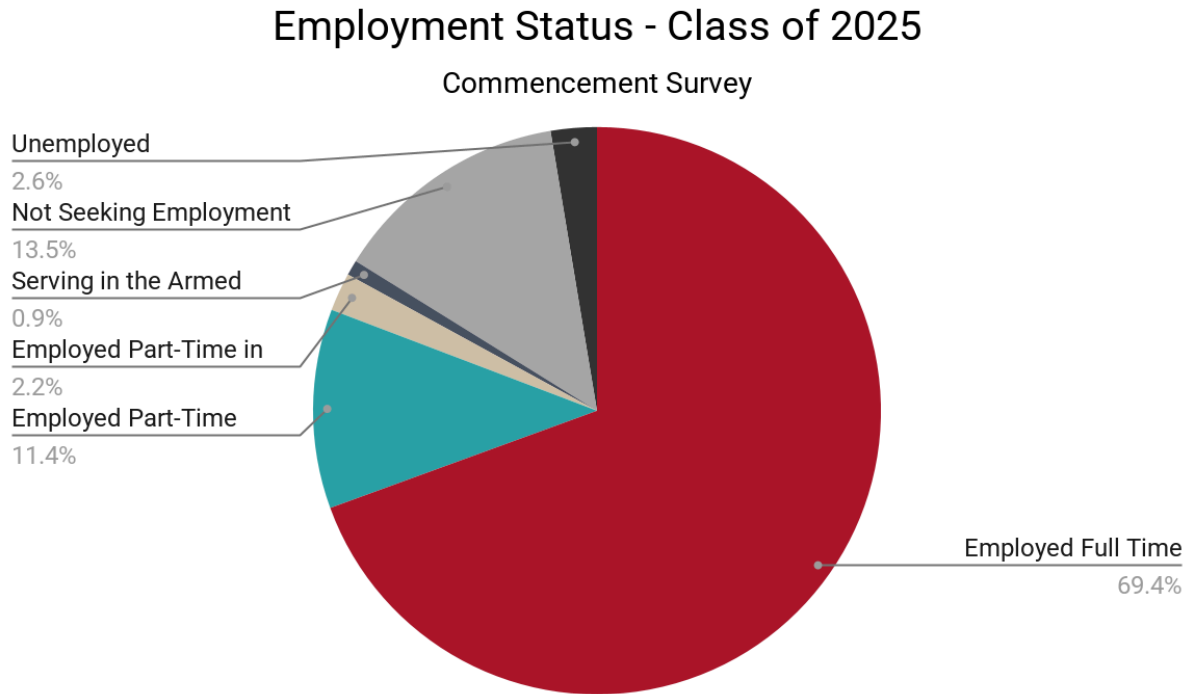

Approximately 89% of 2024 Graduates who participated in the survey and were seeking employment indicated that they were employed full-time one year after commencement!

Placement in Employment & Education of Graduates

The Class of 2025 participated in the Graduate Tracking Survey in May and June 2025. The survey was conducted at Commencement and continued via outreach through email.

Approximately 70% of the respondents from the Class of 2025 indicated that they were employed full-time at the time of the survey.

HEA #28 – Job Placement Rates

MACU does not advertise job placement rates as a means of recruiting students to enroll.

HEA #29 – Types of Graduate and Professional Education in which the School's Graduates Enroll

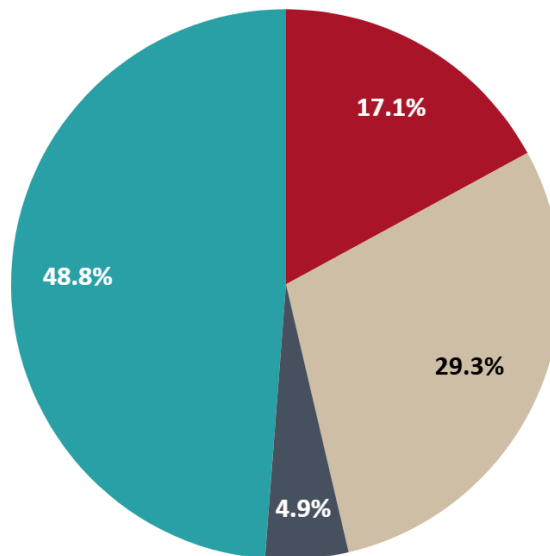

2024 Graduates participated in a Graduate Tracking Survey during the months of May 2025 and June 2025 to track their status approximately one year after commencement. Students were contacted via email.

One year after graduation, approximately 17% of the Class of 2024 survey participants were in the process of earning another degree in areas such as counseling and occupational therapy. Another 29% indicated that they plan to earn another degree at some point in the future.

Future Educational Plans - Class of 2024

One Year after Commencement

● Currently Earning Another Degree ● Plans to Earn Another Degree in the Future ● Unsure ● No Future Degree Plans

Placement in Employment & Education of Graduates

The Class of 2025 participated in the Graduate Tracking Survey in May and June 2025. The survey was conducted at Commencement and continued via outreach through email.

50% of survey participants indicated that they planned to obtain a Graduate or Professional Degree, while only 22% indicated that they had completed all of their educational goals.
