

PROGRAM OVERVIEW

Mid-America Christian University's **Associate of Applied Science in Nursing** is a two-year, hands-on degree program designed to prepare you for licensure and a rewarding career as a registered nurse (RN). Through a blend of dynamic classroom instruction, high-fidelity simulation lab experiences, and diverse clinical rotations, you'll gain practical skills and critical knowledge in areas such as anatomy, physiology, pharmacology, nursing theory, and patient care.

ADVANCED STANDING TRACK (36 hrs.)

The Advanced Standing Track follows a logical progression that builds on the knowledge and clinical experience of licensed practical nurses and paramedics. Students enter the curriculum with advanced standing and progress through advanced medical-surgical nursing, specialty nursing, and immersion experiences. This sequence is designed to be completed in 10 months over four nursing terms. Nursing courses consist of theory, laboratory, simulation, and clinical components. A satisfactory performance standard of 74% (C) or better must be maintained in all components (theory, laboratory, simulation, exams, and clinical portions) of each nursing course. Qualified and eligible students will receive advanced standing credit for Foundations of Nursing and MedSurg Nursing 1.
